Dear Mom:-

This is the first meal ticket. Boy I sure am having the fun. Last Monday Night we gave a life saving demonstration most of our troop was in it.

One kid is homesick he hasn't been eating and was crying all the time, his name is Radmer

I am going out for Bird Study merit badge and is it a hard one

I've got my dishes done for this week I did the first 4 meals to get it over with

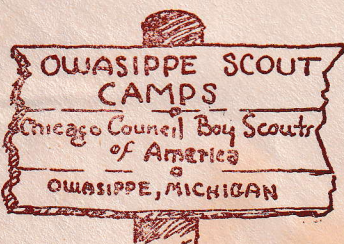

This Thursday we are going to hike to big blue.

I have a mattress on my bunk, and boy

is it well sleeping. Its more  
and cold at night but not  
freezing. Yesterday I was  
lifeguard all day and did  
I get sun burnt and  
was it nice and cool sleeping  
on the sheet.

Sunday is the canoe trip  
and I guess about 7 fellows  
from our troop are going.  
Its going to be down the  
Muskegon river about 60  
miles. Well I guess I  
will have to close now and  
write some post cards
